Subject: RE: Amarillo Aluminum Phosphide incident
Date: Monday, January 30, 2017 3:08:10 PM

Good afternoon, Jhana

I would like to formally request a copy of EPA monitoring report (gas readings since EPA team arrived to incident site in Amarillo) for the trailer/house property pertaining to Aluminum Phosphide incident.

Also, I would like to have names/contact information for the EPA on-site team in Amarillo for the TDA report.

Thanks and have a good day

Camilo A Garzon
